

This year we decided to host and organise the internationally famous Drupal Developer Days, in **Ghent**, the startup center of Belgium from the 6th of April 2020 until the 10th of April 2020.

We expect to have around **500-600 attendees** throughout the **four** days. We expect attendees from all over the world, with the majority coming from the Benelux. With affordable tickets, we are giving everyone the opportunity to join us in the heart of Europe to celebrate Drupal for four days together. It's a good opportunity to **stay tuned** to the latest things that are happening around the community and the project itself. Even Drupal 9 will be just around the corner! The most influential speakers from the community from all around the world will come and share their experience, so you will get the best information first hand. You will also have the chance to **present yourself to Drupal developers** in the region, so if you are looking to hire talented Drupalers, this is the place to be!

Serving as an Official Partner of Drupal Developer Days Belgium will also increase the equity of your brand as a company or organisation that supports one of the fastest-growing open source software communities in the world. Whether you're new to the community, a long term member, or are just curious to see what all the fuss is about, we have a place for you. We've designed the sponsorship packages to provide **highly targeted branding, lead generation and talent recruitment** at a price point which makes sense for your company. It's also a great moment to **present your development tooling, hosting solutions or other** that you are offering to this audience. Drupal Developer Days is a non-commercial event and your contribution is vital for our success. The event is organized and run entirely by volunteers, but there are obviously costs to be covered.

Below you can find an overview of the sponsor packages we put together, along with information about what you can expect in return. Note that the number of packages per level is limited to provide maximum value, and will be served on a "first come - first served" principle.

	2 x Platinum	4 x Gold	4 x Silver

### Special Sponsoring Packages

**Healthy Snacks**  
2 available

**€ 800 for 1 package**

Provide nutritious & healthy food to Drupal Developer attendees. We'll display a poster of our sponsor at the desk where we'll offer our fruit and healthy snacks. This is valid for 2 days.

**Breakfast**  
2 available

**€ 800 for 1 package**

These packages includes one pastry item per attendee, transforming them into happy humans. This sponsor can place a small banner/advert at the dining table. This is valid for 2 days.

**Coffee**  
2 available

**€ 800 for 1 package**

Give our attendees the necessary shot of caffeine to keep them going through the day. This sponsor can place a small banner / advert at the serving table. This is valid for 2 days.

**Social night**  
3 available

**€ 800 for 1 package**

The social night sponsors will get great coverage whilst also refreshing the Drupalists. This includes placing your banner at the social event and option to distribute promotional material to attendees.

We are really looking forward to welcoming you as one of our beloved sponsors, and helping us make this an unforgettable event. If you want to contact us or have any inquiries regarding sessions, sponsoring or anything else, please do contact us at [ddd@drupal.be](mailto:ddd@drupal.be). All other information can be accessed through <https://ghent2020.drupaldays.org>

**About Drupal Developer Days Belgium**  
Drupal Developer Days Belgium is an event organised by the Drupal User Group non-profit organisation DUG BE vzw and a team of enthusiastic Drupal community volunteers. This event replaces the annual Drupalcamp. There will not be another multi-day event in the remainder of 2019 or 2020.
